

THE GDG QUEST LEAGUE RULES

The GDG Quest League is for GDG members competing in GDG Quest classes only at the GDG competitions listed below.

- 8th and 9th May 2021 at Cabin Equestrian Centre
- 31st July and 1st August 2021 at Cabin Equestrian Centre
- 9th and 10th October 2021 at Ladyleys Equestrian Centre

Your five highest results will be used to calculate your TOTAL points. (Points are allocated for % scored, not placings.) *Please note: for 2021 only, the requirement to enter a minimum number of competitions to be eligible to win prizes will be waived and all your results will be taken into consideration, even if you have less than five.*

The GDG Quest League points are gained in both Team Quest and My Quest classes.

Any horse or pony changing riders during the league will not carry forward any points gained with the previous rider.

There will be a GDG Quest League Intro Champion, Prelim Champion, Novice Champion and Junior Champion.

Horses/ponies are eligible to submit points at one level only.

Horse and rider combinations competing in Quest classes (and subsequently for the GDG Quest League) must be eligible to do so under BD rules.

Your points will be allocated after each competition so there is no need for you to register your intent to compete in the leagues; as long as you are a fully paid-up member, you will be included. If you have any queries, please contact gordondressagegroup@gmail.com.
